e-SAFE

WHAT:
The new Electronic Secured Adjudication Forms Environment.

ABOUT:
e-SAFE is the new U.S. Customs and Border Protection online system that allows eligible nonimmigrants, who do not require a visa to enter the United States to apply for a waiver of inadmissibility.

WHO:
Inadmissible nonimmigrant aliens from visa-exempt countries (e.g. citizens of Canada, Palau, the Federated States of Micronesia and the Marshalls Islands).

WHEN:
Mid-2019, visa-exempt nonimmigrants can apply online using Form I-192 and/or Form I-212 through e-SAFE.

HOW:
Access the application at www.e-SAFE.cbp.dhs.gov.

WHAT'S NEXT?:
Applicants who complete electronic filing via e-SAFE will need to go to a designated port of entry within 45 days to complete the biometrics portion of the waiver process. For a list of available ports please visit www.cbp.gov.

MORE INFORMATION:
The most current information will be found at www.cbp.gov. Please check the website for updated information.
